Polish lyrics by John Góra – SOCAN. First polka version recorded by Eddie Blazonczyk's Versatones.

1/ I love you, you, you no one else will ever do
Always true, true, true, I'll forever be to you
I love you no one new, will never ever do
I'll be good and true to you cause I love you, you, you

2/ When we met I knew, my love for you is true
Like an angel from above, you were sent for me to love
I love you no one new, will ever ever do
I'll be good and true to you cause I love you, you, you

3/ Pierwszy raz gdy ujrzałem cię, to złapałaś sere me
Twoje uczy i twój biust mocno wpadły na mój gust
Kocham cię, tylko cię, i ciebie tylko chcę
Gdy zapadnie ciemna noc o tobie śnię, śnię, śnię.

4/ I love you, you, you no one else will ever do
Always true, true, true, I'll forever be to you
I love you no one new, will never ever do
I'll be good and true to you cause I love you, you, you
