

# **FOREVER BLUE – Polka**

John Gora & Gorale "Duty Free" SNCD154 in 1997 Grammy Nominated  
Original by The Mavericks 1991 Malo Music BMI

1/ Why was I so wrong when everything was right  
I thought that you would long for my arms to hold you tight  
You never even called or stopped to say hello  
So now I'm sad and blue while you're just glad to go

2/ Remember all the times when you were missing me  
Because I'd be gone so long but not eternally  
I always turned around to find my way back home  
But the only thing I found was I found myself alone

**Bridge:** I may never find another one to hold me  
I may never find another one so true  
Maybe I'll just never find another you

**Chorus:** *Forever lonely, forever blue  
Forever knowing that you were true  
Forever thinking you'd love me too  
So you've gone and now I don't know what to do  
So I guess I'll always be forever blue*

3/ Will you be so kind as to leave my heart alone  
That's where it needs to be so it won't hurt no more  
As long as you're around and not here with me  
My smile will be a frown and forever blue I'll be

4/ Repeat Verse 2/ Remember all the times .....
