

THINKING OF YOU - Polka

Written by Johnny Polako with John Jaworski & Key Notes Orchestra, Pulaski Publication.

As recorded by John Gora & Gorale in 2004 on "Can-Am Polkas" SNCD204. Vocals by Tommy Wanderlich

When I'm feeling blue
I just think of you
Then the sun begins to shine
Memories of you fill my mind

*I'm full of happiness and cheer
Thinking of you, just you, my dear
I'm full of happiness and cheer
Thinking of you, just you, my dear*

When the sky is gray
And it's a rainy day
Dear, that's when I think of you
And the things we love to do

*We know our love is here to stay
I love you more, and more, each day
We know our love is here to stay
I love you more, and more, each day*
