

Let's Say Goodbye Polka Medley

As recorded by John Góra & Górale on "Take A Spin" SNCD125 in 1993 at Peppermint Studios in Ohio
Traditional music & lyrics plus compositions by John Góra

Na pożegnanie wszyscy razem, let's say goodbye,
let's say goodbye, let's say goodbye
Z całego serca pełnym gazem, we've had good time,
And lots of fun it was divine
We hope that we have made you happy, until we meet again

Instrumental to melody of God Bless America 2nd half to horn Riff

It's time for us to go this evening, dobranoc wam
dobranoc wam, dobranoc wam
We hope you'll come to join us next time, następny raz
Gdy przyjdzie czas, zobaczym was
We hope that we have made you happy, until we meet again

Instrumental Oh Canada 2nd part in "D"

Tym czasem, so long for a while,
we'll all come back here now and then.
Tym Czasem so long for a while,
until we meet again some day – (so long)
