

# We'll Play For You - Polka

As recorded by John Góra & Górale on "Pangora's Box" SNCD125 in 2004  
(Original by Seals and Crofts, Polka version as recorded by The Tones)

Tonight the lights are shinin'  
And the microphones are on, we'll play for you  
So many will be the blessings  
And so short will be the time, we'll play for you

But I'll love you, yes, I do  
We'll always play for you  
We'll sing every song just for you

## Chorus:

*Hear the band, hear the band  
You can sit and stomp your feet and clap your hands  
And these few moments we share together  
And we'll always play for you hear the band.*

I've practiced many years and we've come a long,  
long way just to play for you  
Our life is but a song that we have written  
in many ways just to say to you

But I'll love you, yes, I do  
We'll always play for you  
We'll sing every song just for you
