John Góra & Górale "Butterfly" CD 2013 © Korona Music
Written by Danyel Gérard & John Gora (Verse 4)

1/ You are bright as a night full of moon
Butterfly you have left much too soon
You have found you have wings and now you wish to fly
Please don't go, oh please don't say good bye

*Butterfly, my Butterfly, Now I know you must be free
Butterfly, my Butterfly, stay a little while with me*

2/ In your mind there's someone far away
And you'll miss all the fun if you stay
You believe, that love, is elsewhere to be found
But you're wrong, it's here, just look around.

3/ Look around, look around and you'll see
Better loved than by me you won't be
And if you fly away you break my heart in two
Please don't go - I'm so in love with you.

4/ Butterfly, now you've come back to me
All my love is for you, you will see
There's no need to fly away, because my love is true
Butterfly I'm so in love with you
