1/ I get such a thrill When you look in my eyes
My heart skips a beat, girl I feel so alive
Please tell me baby If all this is true
Cause deep down inside All I wanted was you

Oh, makes me want to dance

Oh, it's a new romance

Oh, I look into your eyes

Oh, best years of our lives!

2/ When we first met I could hardly believe
The things that would happen That we could achieve
So let's be together For all of our time
We'll go out so thankful That you are still mine

3/ My world's a better place cause I know you're mine
This love is so real and it's no surprise
Come on and say yeah! And tell me you're mine
Cause through the years I'll be right by your side
