1/ Dreaming I must be dreaming
Or am I really lying here with you
Baby you take me in your arms
And though I'm wide awake
I know my dream is coming true

*And, oh, I just fall in love again
Just one touch and then it happens every time
And-there I go, by, just fall in love again
and when I do
I can't help myself I fall in love with you*

2/ Magic, It must be magic
The way I hold you and the night just seems to fly
Easy, For you to take me to a star
Heaven is that moment when I look into your eyes
