Every time I see you – I just got ta try;
To get sweet lovin' from you:
Bring out the good in me – can't ya see;
Stay here – don't be cruel

When I get close – just wait and see;
What will ya do
Be in the moment – girl – in every way;
This love's for you:

Just came to see – if I could right the wrong – I done to you
So sorry – girl – if you could see me now – what would you do

Run little girl – run, run – you can run all day;
Run little girl – run , run – you can be sure love will stay
Run little girl – run, run – you can run all day;
Run little girl – run , run – you can be sure love will stay

Been thinkin' hars girl – just to do – how to satisfy you;
If you give me just one more chance – I'll be so good it's true:
If you'll give me just one more chance – I'll be so good it's true:

Run little girl – run, run – you can run all day
Run little girl – run, run – you can be – sure love will stay
