

Not So Perfect World – Polka

John Gora & Gorale "Can Am Polkas" SNCD204 in 2002

Composed by Trick Ryder, Moose Jaw, SK, Suggested as a Polka by Tony Winiarz

1/ Here's my salute to a world I'd like to leave behind
A world that I'm living all alone
Had me a good job and a woman to call mine
Next thing I knew they both were gone

*But that's all right, that's ok
'leaving on a southbound any day
Probably spent my whole life searchin'
for that perfect girl?
Living in my not so perfect world*

2/ Once met a girl for whom I would've sold my soul
Long dark hair and eyes of baby blue
I figured just one night is not too much to ask
But another love in her life made her stay true

3/ Here's my advice to anyone who feels this way
If you really wanna set your mind at ease
When you think the whole wide world
Has turned it's back on you,
Come and ride that southbound train with me.
